

Can you fight **BDS** with your **RRSP?**

“My version of **BDS**:
Buy, **D**onate, **S**upport.
I **buy** Israeli products.
I **donate** to Israel charities.
and I **support** Israel
through my financial investments.
I hope you do as well.”

Belinda Schneeweiss
Women's Division Council Member

Simply put, the exact counter to the
BDS movement is investment in Israel.
This year, add Israel bonds to your RRSP.
